All third-party service providers are expected to maintain appropriate data protection standards.

5. Data Security

The Operator implements reasonable technical and organizational measures to protect affiliate data from unauthorized access, misuse, or disclosure.

These measures may include:

- encrypted connections
- secure server infrastructure
- restricted internal access to sensitive information

While security measures are in place, no system can guarantee complete protection against all risks associated with internet communications.

6. Data Retention

Affiliate data may be retained for as long as necessary to:

- administer the Affiliate Program
 - process commission payments
 - comply with legal or financial record-keeping obligations
 - resolve disputes or enforce program terms
-

7. Affiliate Rights

Depending on applicable laws, Affiliates may have the right to:

- request access to personal data held about them
- request correction of inaccurate information
- request deletion of personal data where applicable
- restrict certain types of processing

Requests may be submitted through the contact details provided below.

8. Updates to this Policy

This Affiliate Privacy Policy may be updated from time to time to reflect changes in the Affiliate Program, legal requirements, or operational practices.

The latest version will always be published on the Platform.
